To Whom It May Concern,

This letter certifies that Ivy Legends, owned by Dr. Constance Quigley, has been officially certified as a Service Dog through Tru Mission K9s, LLC. This certification reflects Ivy's successful completion of an advanced Service Dog program conducted by Tru Mission K9's licensed trainers.

Throughout training, Ivy Legends has demonstrated reliability, discipline, and consistent behavior in a wide range of environments. The following skills represent the service dog proficiencies that have been trained and validated:

Service Dog Skill Proficiencies

1. Basic and advanced obedience (sit, stay, heel, recall).
2. Public access manners (calm behavior in stores, restaurants, and transportation).
3. T ASD Service (safety & protection methods for neurodivergence).
4. Tracking (emergency response, management, and target tracking).
5. Deep pressure therapy (grounding and calming during anxiety or panic episodes).
6. Mobility & Monitoring (Mobility and stability assist)
7. Interrupting harmful behaviors (self-harm interruption, stress distraction).
8. Emergency Support Navigation (Exit support in Fire & Natural Disaster).
9. Stemming Reduction (redirection support)
10. Kinetic Engagement (Sensory Assist).

This certification confirms that Oak has met or exceeded the standards required for recognition as a Service Dog through Tru Mission K9's, LLC.
