To Whom It May Concern,

This letter certifies that Sir Oak Legends, owned by Dr. Constance Quigley, has been officially certified as a Service Dog through Tru Mission K9s, LLC. This certification reflects Oak's successful completion of an advanced Service Dog program conducted by Tru Mission K9's licensed trainers.

Throughout training, Sir Oak Legends has demonstrated reliability, discipline, and consistent behavior in a wide range of environments. The following skills represent the service dog proficiencies that have been trained and validated:

Service Dog Skill Proficiencies

1. Basic and advanced obedience (sit, stay, heel, recall).
2. Public access manners (calm behavior in stores, restaurants, and transportation).
3. Task-specific support for medical alerts (seizure & cardiac detection).
4. Retrieval of items (medications, phone, personal belongings).
5. Deep pressure therapy (grounding and calming during anxiety or panic episodes).
6. Mobility assistance (balance support, guiding, bracing).
7. Interrupting harmful behaviors (self-harm interruption, stress distraction).
8. Alerting to sounds (door knock, alarms, timers).
9. Night-time assistance (turning lights on/off)
10. Emergency response skills (seeking help, pressing alert devices).

This certification confirms that Oak has met or exceeded the standards required for recognition as a Service Dog through Tru Mission K9's, LLC.
